

### **Information pursuant to § 13 para. 1 of the German Telemedia Act**

You wish to receive a performance permit for the performance of street music and acoustically perceivable street art in the city centre of the State Capital of Dresden on the basis of the statutes of the State Capital of Dresden for the performance of street art (Street Art Statutes). This requires the creation of a user account and the entry of your personal data in accordance with the provisions of the Street Art Statutes. For the purpose of authorizing your application, we have to collect, save and use your personal data.

Your data will not be disclosed to third parties.

In accordance with § 13 para. 1 of the German Telemedia Act of 26 February 2007 (BGBl. I S. 179), which was last changed by Article 1 of the act of 21 July 2016 (BGBl. I S. 1766), you are herewith informed that the State Capital of Dresden collects, saves and uses your personal data to the extent that this is required for the application and receipt of a performance permit for street music or acoustically perceivable street art, for the control of ancillary provisions for the performance permit and for the execution of the Street Art Statute.

### **Google reCAPTCHA**

In certain cases, we use the reCAPTCHA service from Google Inc. to ensure adequate data security when submitting forms. This is primarily used to distinguish whether the entry is made by a natural person or is misused by automated processing. The service includes sending the IP address and any other data required by Google for the reCAPTCHA service to Google. For this, the different data protection regulations of Google Inc. apply. Further information on the data protection guidelines of Google Inc. can be found at [www.google.de/intl/en/privacy](http://www.google.de/intl/en/privacy) or [www.google.com/intl/en/policies/privacy/](http://www.google.com/intl/en/policies/privacy/)
