

Responsibilities and Main Fields of Activity

Responsibilities

- Representation of the interests of the foreigners living in Dresden
- Contribution to improving the living conditions of foreign nationals
- Promotion of peaceful coexistence among Germans and foreigners
- Contribution to the creation and conservation of open spaces in the city of Dresden, which allows the preservation and the development of a cultural identity of one's own for people of other nationalities, cultures, religions or ethnic backgrounds
- Public relations work in the interest of foreigners and for their coexistence with Germans
- Promotion of decision-making for municipal suffrage for every foreigners in local elections
- Cooperation with associations and initiatives dealing with the problems of foreigners

Main Fields of Activity

The Integration and Foreigners Advisory Board deals with a large number of topics concerning foreigners living in Dresden. These include, among others:

- Discrimination and unequal treatment of foreigners in Dresden
- Accommodation and care of asylum seekers
- Security and right-wing extremism issues
- Situation of foreign students and pupils
- Cooperation with associations and organisations
- Native language teaching for children of foreigners
- Health care for foreign patients
- Problems of individual foreign residents

The existence, tasks and activities of the Integration and Foreigners Advisory Board are governed by a statute and by the rules of procedure.
