

Action fields and measures

Overall intervention budget: ca. 7,9 m euros

The allocation of subsidies will be based on the approval of case-to-case applications which will have to be submitted to the board of the administrative district of Dresden for every individual redevelopment project, and will finally be subject to the approval of the final reports on the expenditure of funds.

There are five action fields:

- Infrastructure / urban fabric (action field 1) – 68 % of the overall subsidies are proposed to be assigned to this task
- Civic involvement (action field 2) – 10 %
- Enhancing the quality of recreational activities (action field 3) – 11 %
- Economy (action field 4) – 6 %
- Monitoring / Public relations (action field 5) – 5 %

action field 1: Improvement of the infrastructure and urban fabric

Upgrading the residential environment close to Friedrichstrasse

action field 2: Civic involvement

V.S.P. Civic volunteers' registered association

action field 3: Enhancing the quality of recreational activities

Playground Altonaer Strasse

action field 4: Fostering economy and employment

e. g. the enterprise zone "Ostravorwerk"

action field 5: Monitoring / Public relations

Public relation – various releases
